METROPOLITAN COLLEGE - 100% QUALITY, 100% BUSINESS COLLEGE

Established in 1987, this specialised business college offers more than 90 different business majors, the widest range in Malaysia. Whether they opt to complete their entire degree at Metropolitan or transfer to either RMIT or Curtin University in Australia, students can look forward to an exceptional experience here, and graduate to diverse careers including management, corporate planning and banking.

INTERNATIONAL RECOGNITION & ACHIEVEMENTS

Twinning and 3+0 business degree programmes with Australia's RMIT and Curtin University of Technology, world-renowned for their career-driven and technology-oriented business education

RMIT University

RMIT University is currently Australia's largest multi-level university offering a fully integrated range of courses from diplomas to bachelor degrees to master degrees to PhDs.

CURTIN University

Curtin University is active in research, development and consultancy. It has close links with business, industry, government, the professions and the community.

LOCATION MAP

University Foundation Program (UFP)

With a curriculum developed by Curtin University, it is a secure pathway for direct entry into the first year of Curtin University and RMIT University business degrees conducted at Metropolitan College.
