

SEKOLAH SRI ACMAR

SEKOLAH SRI ACMAR

As a private co-educational school, Sekolah Sri Acmar provides children with a broad, liberal and all-round quality education in line with the Malaysian Education Ministry's KBSR and KBSM syllabus. With a holistic approach, it caters to the development of mental, physical and social skills.

While the medium of instruction is Bahasa Malaysia, equal emphasis is placed on English and Mandarin is also taught. Experienced and dedicated teachers as well as small classes ensure that each child receives personalised attention. The caring school concept provides both guidance and counselling, with a conducive environment developing disciplined and responsible citizens.

FACILITIES

Air-conditioned classes • Science laboratories • Computer labs • Living skills workshops • Spacious canteen • Badminton courts • Use of swimming pool and tennis courts • Co-curricular activities include taekwondo, swimming, music, art, concerts, football, basketball, gymrama, uniformed bodies and school band.
