Damansara Specialist Hospital (DSH) is the 8th hospital under the flagship of the KPJ Healthcare Bhd, the largest healthcare group in the Malaysian and South East Asian region which has under its wings, 12 reputable and strategically located hospitals.

By virtue of this symbiotic partnership and cohesive network of specialists, the KPJ Group as an entity is equipped to render highly comprehensive medical assistance and specialist care to all. Patients can tap into the wealth of expertise, experience and technology.

PROFESSIONAL CARE

Yet, understanding that what lies at the core of healthcare is personalised, caring, professional and warm service, each hospital consciously reaches out to make impact on the community.

CARING STAFF

- Always dedicated to a higher standard of service, DSH is equipped with the latest in healthcare technology and has over 300 staff comprising a team of highly qualified specialists and administrative support.
- Service with a smile, a culture of wellness, community services and innovative value-added activities best describes us.
- Central to all that we seek to do at DSH is our concern for the health and wellbeing of the people who place their trust in our patient-focused healthcare services.

ACCREDITATION

Malaysian Society for Quality in Health (MSQH) has accorded to Damansara Specialist Hospital a full 3-year term of Accreditation for providing quality care and services in a safe environment.
