Sunway Medical Centre (SunMed) is a private hospital offering specialised health and tertiary care services. We are located in the heart of Bandar Sunway, a well-developed self-contained township in Selangor Darul Ehsan.

At SunMed, we have professional clinical expertise and experience, advanced medical technology as well as trained and dedicated nursing staff to cater to your healthcare needs. Our patients have access to a wide range of facilities and medical technologies for outpatient, inpatient, speciality care, health promotion and 24-hour emergency services.

Our primary concern at all times is the comfort and speedy recovery of our patients. Every member of our staff is committed to provide a high standard of health care within a conducive, caring and compassionate environment.

SunMed is strategically located in the self-contained township of Bandar Sunway. This modern integrated township is in the heart of the bustling suburb of Petaling Jaya, Selangor. Only 35 minutes drive from the Kuala Lumpur International Airport (KLIA).
